Notice to Property Owners: Payment of water district property tax is required to obtain water service under state law. Failure to keep property tax payments current will lead to discontinuance of water service.

Application Agreement: I have read and understand the terms, conditions, and plumbing restrictions of the Service Agreement attached hereto. I further acknowledge that failure to abide by said plumbing restrictions shall, at a minimum, lead to discontinuance of water service.

ALL APPLICANTS ARE SUBJECT TO PRIOR CREDIT APPROVAL.

I hereby apply for water and/or sewer service at the above address to be furnished at the standard rates and under terms and conditions of said District as from time to time established for such class of service. The deposit will be held until Applicant discontinues water and/or sewer service, to guarantee the payment of bills for water and/or for any bill of whatever nature that may be due. When service has been discontinued that deposit will be applied to the final bill. If any deposit, greater than \$2.00 is left, it will be refunded. I understand that failure to render payment within time prescribed on the bill will mean discontinuance of service. Further, if the District incurs additional expense for past due collections, I agree to pay all costs of collections.

APPLICATION AGREEMENT

- I. **TERMS:** The following are the terms of the agreement between the Galveston County WCID No. 1 (the Water Co.) and named customer, shown on credit application, (the customer).
- A. The Water company will maintain a copy of the agreement as long as the Customer and/pr the premises is connected to the water and/or sewer system.
 - B. The Customer shall allow his property to be inspected for possible cross-connections and other undesirable plumbing practices. These inspections shall be conducted by the Water Company or its designated agent prior to initiating service e and periodically thereafter. The inspections shall be conducted during the Water Company's normal business hours.
 - C. The Water Company shall notify the customer in writing of any cross-connections and other undesirable plumbing practice which as been identified during the initial inspection or the periodic re-inspection.
 - D. The Customer shall immediately correct any undesirable plumbing practice on his/her premises.
 - E. The Customer shall, at his/her expense, properly install, test, and maintain any back-flow prevention device required by the Water Company.
- II. **PURPOSE:** The Galveston County WCID No. 1, located at 2750 FM 517 East, Dickinson, TX, is responsible for protecting the drinking water supply from contamination or pollution which could result from improper plumbing practices. The purpose of this agreement is to notify each customer of the plumbing restrictions that are in place to provide this protection. The utility enforces these restrictions to ensure the public health and welfare. Each customer must sign this agreement before the Galveston County WCID No. 1 will begin service. In addition, when service to an existing connection has been suspended or terminated, the Water Company will not re-establish service unless it has a signed copy of this agreement.
- III. **PLUMBING RESTRICTIONS:** The following undesirable plumbing practices are prohibited by State regulations.
- A. No direct connection between the public drinking water supply and a potential source of contamination is permitted. Potential sources of contamination shall be isolated from the public water system by an air-gap or an appropriate back-flow prevention device.
 - B. No cross-connection between the public drinking water supply and a private water system is permitted. These potential threats to the public drinking water supply shall be eliminated at the service connection by the installation of an air-gap or reduced pressure-zone back-flow prevention device.
 - C. No connection which allows water to be returned to the public drinking water supply is permitted.
 - D. No pipe or pipe fitting which contains more than 8.0% lead may be used for the installation or repair of plumbing at any connection which provides water for human use.
 - E. No solder or flux which contains more than 0.2% lead can be used for the installation or repair of plumbing at any connection which provides water for human use.
 - F. The Water Company has adopted the SBCCI Plumbing & Gas Code with local restrictions. Customers shall consult with a licensed plumber or the City of Dickinson plumbing inspector prior to beginning any plumbing work.
- IV. **ENFORCEMENT:** If the Customer fails to comply with the terms of the agreement, the Water Company shall, at its option, either terminate service or properly install, test, and maintain an appropriate back-flow prevention device at the service connection. Any expenses associated with the enforcement of this agreement shall be billed to the customer.
- V. **DICKINSON VOLUNTEER FIRE DEPARTMENT:** Your monthly water bill total will include a \$10.00 fee to the Dickinson Fire Department. They rely on the generosity of the Dickinson community for their support.
