

NEW COMMERCIAL ACCOUNT APPLICATION

(effective June 6, 2023)

Along with application you will need:

- Proof of Ownership or Lease Agreement
- Photo Identification, W-9 Form or Both
- Deposit Amount (To Be Determined by Billing Dept.)
- AmeriWaste Service Request Agreement for Solid Waste Services*

* AmeriWaste will be billing commercial and industrial accounts directly for all front load services (dumpsters). All commercial and industrial accounts must call or email AmeriWaste at 281-585-3200 or WCID@Ameriwaste.net to complete the required documentation prior to submission of this application.

WATER SUPPLY PROTECTION PROGRAM

In compliance with the Rules and Regulations of the State of Texas, Galveston County WCID No. 1 has adopted a mandatory cross connection control and prevention ordinance which includes the installation of a backflow prevention assembly directly after the water meter for all commercial accounts. **Water service will not be connected unless the backflow prevention assembly is installed, inspected, and tested by a state certified backflow prevention assembly tester.**

APPLICATION AGREEMENT:

I have read and understand the terms, conditions, and restrictions of this service agreement. I further acknowledge failure to abide by said restrictions shall, at a minimum, lead to discontinuance of service. I further understand that completion of this application, accompanied by receipt of deposit, will ensure NEXT BUSINESS DAY turn on services of water UNLESS the following day falls on a District cut-off day. In this situation, water service will be turned on the following business day.

I hereby apply for water and/or sewer service at the above address to be furnished at the standard rates and under terms and conditions of said District as from time to time established for such class of service. The deposit will be held until Applicant discontinues service to guarantee the payment of bill of whatever nature that may be due. When services have been discontinued, the deposit will be applied to the final bill. If any deposit, greater than \$2.00 is left, it will be refunded. I understand that failure to render payment within time prescribed on the bill will mean discontinuance of service. Further, if the District incurs additional expenses for past due collections, I agree to pay all costs of collections.

SERVICE APPLICATION AGREEMENT

- I. TERMS:** The following are the terms of the agreement between the Galveston County WCID No. 1 ("the Water District") and named Applicant / Company ("the Customer"), shown on the new commercial account application:
- A.** The Water District will maintain a copy of this agreement as long as the Customer and/or the premises are connected to the water and/or sewer system.
 - B.** The Customer shall allow his property to be inspected for possible cross-connections. These inspections shall be conducted by the Water District or its designated agent prior to initiating service and periodically thereafter.
 - C.** The Customer shall immediately correct any noted violations on his/her premises before service is turned on.
- II. PURPOSE:** The Galveston County WCID No. 1, located at 2750 FM 517 Road East, Dickinson, Texas, is responsible for protecting the drinking water supply from contamination or pollution which could result from improper plumbing practices. The purpose of this agreement is to notify each customer of the plumbing restrictions which are in place to provide this protection. The utility enforces these restrictions to ensure the public health and welfare. Each customer must sign this agreement before the Galveston County WCID No. 1 will begin service. In addition, when service to an existing connection has been suspended or terminated, the Water District will not re-establish service unless it has a signed copy of this agreement.
- III. PLUMBING RESTRICTIONS:** The following undesirable plumbing practices are prohibited by State regulations:
- A.** No direct connection between the public drinking water supply and a potential source of contamination is permitted. Potential sources of contamination shall be isolated from the public water system by an air-gap or an appropriate back-flow prevention device.
 - B.** No cross-connection between the public drinking water supply and a private water system is permitted. These potential threats to the public drinking water supply shall be eliminated at the service connection by the installation of an air-gap or reduced pressure-zone back-flow prevention device.
 - C.** No connection which allows water to be returned to the public drinking water supply is permitted.
 - D.** No pipe or pipe fitting which contains more than 8.0% lead may be used for the installation or repair of plumbing at any connection which provides water for human use.
 - E.** No solder or flux which contains more than 0.2% lead can be used for the installation or repair of plumbing at any connection which provides water for human use.
 - F.** The Water District has adopted the SBCCI Plumbing & Gas Code with local restrictions. Customers shall consult with a licensed plumber or the City of Dickinson plumbing inspector prior to beginning any plumbing work.
- IV. ENFORCEMENT:** If the Customer fails to comply with the terms of the agreement, the Water District shall, at its option, terminate service or the Customer will properly install, test, and maintain an appropriate back-flow prevention device at the service connection. Any expenses associated with the enforcement of this agreement shall be billed to the Customer.
- V. FIRE PROTECTION SERVICES:** Your monthly water bill total will include a mandatory \$10.00 per unit fee for the Dickinson Volunteer Fire Department.
- VI. GARBAGE:** Customers within the Water District or within the City limits of Dickinson will be provided garbage service by AmeriWaste at rate set out in the Water District's Rate Ordinance. The District does collect applicable sales tax on garbage service only. AmeriWaste will be billing commercial and industrial accounts directly for all front load services (dumpsters). To establish recycling service, please contact AmeriWaste at 281-585-3200. You will be billed for recycling service directly through AmeriWaste.
